Mom loved to joke and tease and making people laugh and smile. She loved to drive and could drive anything. She will be remembered by many who grew up in the Watford area as Annie the bus driver or being seen around the area on her motorcycle. From her days at Our Ponderosa is fondly remembered as Annie Choo Choo, cutting the golf course grass or riding snowmobiles. Many a Leafs play-off game was sat outside near the campfire and later on the porch, as well as a Jays game. Her love of sports and outdoors she gave to her children and her grandchildren. Playing music while Mary and Annie skated and watching the grandchildren play hockey and ringette or paddling during Dragon Boat Races.
