Barb grew up in Ravenswood. She went to Toronto after high school for 5 years and worked at People's Credit Jewellers before she returned to Forest. She and Bob spent 37 years together and raised 4 children, worked a farm, and owned a precast concrete business in Sarnia. Barb & Jim, her second husband, shared 21 years together. Barb was a very classy, interesting woman, who enjoyed her family, circle of friends and community. She had a passion for curling and oil painting. Barb celebrated her life every day, so there will be no formal gathering in Barb's honor. In remembrance please share a memory and a smile about the past. Cremation and interment will take place privately at a later date. Memorial donations to the Forest Curling Club, North Lambton Lodge Auxiliary, or St. Joseph's Hospice of Sarnia in Adam Dolmage's memory are appreciated by the family.
