Peggy was a talented lady in so many areas.

In sports, she did figure skating, bowling, curling and golf. She achieved an 8 ender in curling which is very rare indeed and 4 hole in ones at golf!!!!

Her artistic talents, included oil painting, sewing, knitting, crocheting, smocking and quilting (making 26 quilts) and many other crafts as well.

Baking pies, butter tarts and cookies made her popular with many for she loved to bake and give the goodies to friends and family.

Having a wonderful way with words, she wrote many songs and poems to entertain at golf parties and all our special birthdays.

Bridge, Scrabble and other games put in many hours of pleasure for her.

She loved her game shows and on her last night with us, she was the one who solved the last "Wheel of Fortune" puzzle!

We will all remember her for many different reasons and she will be remembered with much love by her family and friends.
