I have so many memories of spending time with Dianne over the past couple decades. We have actually known each other since 1984. We have travelled together - on a cruise - on a road trip to Pennsylvania and also spending some time every winter at our home in Florida.. It was in Florida that we both learned the art of pickle ball. Which she, in turn, came back and started up in Strathroy. We had so much fun playing cards, playing shuffleboard, attending gospel concerts and just being together. We both had to admit to each other though, that in the end, we BOTH liked to win... She has been a faithful friend, always there when I needed her, always offering her time and her listening "ear". She accepts people for who they are, not what they do. And that is what I love about her. I will miss her greatly - my dear friend in the Lord. But we will see each other again and I will look forward to seeing her face again.
