Sincere condolences to Linda, Luann, Lois and their families. I have many memories of Ora & Ron and their daughters. Ron & Ora were community minded and supported their town and their church. Ora planned, cooked for and served many meals with the ladies of the Evening Auxillary and United Church Women (UCW).

My sincerest condolences to the Baxter family on Ora's passing. Mr. and Mrs. Baxter were pillars of Arkona United Church and they were clear examples that everyone should strive to emulate. I particularly think of how Ora was a key organizer of the annual Valentine's Day family event in the church and how together she and Ron contributed much to the well-being of that community through their work and volunteerism. I recall that we used to comment that Easter Sunday's Sunrise Service and Breakfast was also known as "the Baxter Reunion". Greg Stott

J**Jan M. Fitchett**

My deepest sympathy to all of Ora's loved ones. I've been a part of Ora's life my whole lifetime. Ora often reminded me that I was born just before her & Ron were married. So there have been many memories, from the neighbour kid playing at the Baxter's, working with Ora in the hatchery to retiring to Arkona and then to the Lodge in Forest. Cherish your happy memories!! Take Care of each other!!
Love Jan

We're sorry to hear of your Mom's passing. She had a lovely long life. We had some good times back at the pond behind your place in Arkona. We still have the pictures. We all looked so young. We appreciated your Mom's advice when my children were young. She was a real lady. Jan and Frank Lucas

I have many fond memories of Ora and her family while growing up in the Arkona area through her involvement as a 4-H leader and with many church and community activities. I will miss seeing Ora at the Lodge. She always had a big smile and wave for me when she saw me there. Our sincere condolences to Linda, Luann & Lois and their families at this sad time. I can picture Ron & Ora dancing together again to the music of the Crystal Chandeliers.
