A Tribute to all Mothers

*On this Day we honor
All the Mothers who are here
And the ones no longer with us
But in memory are so dear.
We are grateful for your struggle
For your constant care
Well we know that such devotion
Never can be found elsewhere.*

*May the blessing of our Mother
Be with each of you today.
With the Mothers turning silver
And the ones so young and gay.
In this changing world we're hopeful
Mother love will stay the same
And that children will continue
To have honor for your name.*
