Miss Me - But Let Me Go

*When I come to the end of the road
And the sun has set for me
I want no rites in a gloom filled room
Why Cry for a soul set free.*

*Miss me a little - but not too long
And not with your head bowed low
Remember the love that we once shared
Miss me - but let me go.*

*For this is a journey that we all must take
And each must go alone
It's all part of the Master's Plan
A step on the road to home.*

*When you are lonely and sick at heart
Go to the friends we know
And bury your sorrow's in doing good deeds
Miss me - but let me go.*
