I'm Free

Don't grieve for me, for now I am free
I'm following the path God laid for me.
I took his hand when I heard him call
I turned my back and left it all.
I could not stay another day
To laugh, to love, to work or play
Tasks left undone must stay that way
I found that peace at the close of the day.
If my parting has left a void
Then fill it with remembered joy.
A friendship started, a laugh, a kiss,
Oh yes, these things I too will miss.
Be not burdened with times of sorrow
I wish you the sunshine of tomorrow.
My life's been full, I savored much,
Good friends & times, a loved one's touch.
Perhaps my time seemed all too brief
Don't lengthen it now with undue grief
Lift up your heart and share it with me
God wanted me now; He set me free.
