Miss Me - But Let Me Go

When I come to the end of the road And the sun has set for me I want no rites in a gloom-filled room Why cry for a soul set free

Miss me a little - but not too long And not with your head bowed low Remember the love that we once shared Miss me - but let me go.

For this is a journey that we all must take
And each must go alone
It's all part of the Master's Plan
A step on the road to home.

When you are lonely and sick at heart Go to the friends we know And bury your sorrows in doing good deeds Miss me - but let me go. In Loving Memory of
