You can shed tears that she is gone
Or you can smile because she has lived

You can close your eyes and pray that
she will come back
Or you can open your eyes and see all
that she has left

Your heart can be empty because you
can't see her
Or you can be full of the love that you shared

You can turn your back on tomorrow
and live yesterday
Or you can be happy for tomorrow because
of yesterday

You can remember her and only that
she is gone
Or you can cherish her memory and
let it live on
