Joanne and I are going to really miss Jerry. He always had a way of making family get togethers and card games more enjoyable. I'll miss bumping into him at the mall and having coffee (I still owe him one). I'll have to find someone else to buy golf clubs from as he did not keep them long before trading up(just like his cars). I bet he & Aunt Jean have had a few card games already.

Jerry was a great man who influenced my life greatly. My father (Rick Hopwood) was friends with Jerry and I spent a lot of time with him when I was younger. I seen Jerry a couple times in the past year. I never knew he was sick. I am sorry for your loss!

Jerry will be greatly missed. I have known Jerry for years. I am a teller at Td Canada Trust. I met Jerry when he was with ABC Lock and he has been one of my favourite customers since. I always looked forward to Jerry's sarcasm! He always gave me a good laugh for the day. My thoughts and prayers are with his family at this difficult time.....
